**Zapisnik s Izborne skupštine
Hrvatskoga kardiološkog
društva
Opatija, hotel Ambasador
23. listopada 2010. godine**

Nakon što je utvrđena nazočnost 160 redovitih članova Hrvatskoga kardiološkog društva (HKD) skupština je započela s radom. Predsjednik društva prof. Milićić je na početku dao riječ tajniku HKD-a dr. Počaniću koji je predložio radno predsjedništvo u sastavu: doc. Bernat, doc. Delić Brkljačić i doc. Ružić, za izborne povjerenstvo dr. Padovan, dr. Margetić i dr. Maja Čikeš, za zapisničara dr. Joško Bulum i za ovjerovitelje zapisnika prim. Raos i prim. Ivanuša. Prijedlog je stavljen na glasovanje i jednoglasno prihvaćen nakon čega je dr. Počanić u ime Upravnog odbora HKD-a pročitao popis predloženih kandidata za tijela HKD-a:

1. ZA PREDSJEDNIKA / FOR THE PRESIDENT: prof. dr. Davor Milićić
2. ZA DOPREDSJEDNIKA / FOR VICE-PRESIDENT : prof. dr. Mijo Bergovec
3. ZA UPRAVNI ODBOR / FOR THE MANAGEMENT BOARD: doc. dr. Maja Strozzi, dr. Mladen Jukić, dr. Hrvoje Stipić, prof. dr. Luka Zaputović, doc. dr. Ivica Vuković, doc. dr. Robert Steiner, doc. dr. Viktor Peršić, prof. dr. Josip Vincelj i doc. dr. Diana Delić Brkljačić.
4. ZA NADZORNI ODBOR / FOR THE SUPERVISORY BOARD: prof. dr. Jure Mirat, dr. Pejo Samardžić, prim. dr. Vojtjeh Brida, prof. dr. Martina Lovrić Benčić i prim. dr. Mirjana Jembrek Gostović.
5. ZA ETIČKO POVJERENSTVO / FOR THE ETHICS COMMITTEE: akademik Vladimir Goldner, akademik Ivo Čikeš, prof. dr. Šime Mihatov, prof. dr. Drago Rakić i prim. dr. Mario Ivanuša.

Pozvani su svi nazočni redoviti članovi HKD-a da predlože svoje kandidate za navedena tijela i funkcije.

Prva točka dnevnog reda je bila izvješće predsjednika prof. Milićića o radu u proteklom mandatnom razdoblju. Prof. Milićić je istaknuo kako je HKD u proteklom mandatu bilo jedno od najaktivnijih stručnih medicinskih društava u Hrvatskoj, jednom mjesечно se sastajao Upravni od-

**Minutes of the Elective
Assembly of the Croatian
Cardiac Society
Opatija, the hotel Ambasador
23rd October 2010**

After the presence of 160 ordinary members of the Croatian Cardiac Society (CCS) was determined, the Assembly started its work. President of the CCS Prof. Milićić has at the beginning given a word to the Secretary to CCS Dr. Počanić that suggested the Chairpersons consisting of: Ass. Prof. Bernat, Ass. Prof. Delić Brkljačić and Ass. Prof. Ružić, for the Elective committee Dr. Padovan, Dr. Margetić and Dr. Maja Čikeš, Dr. Joško Bulum for Keeper of Minutes and Head Dr. Raos and Head Dr. Ivanuša as the Certifiers of Minutes. The proposal has been put to vote and has been unanimously adopted after which Dr. Počanić has in the name of the CCS Management Board (MB) read out the list of proposed candidates for the CCS bodies:

All present ordinary CCS members are called to propose their candidates for the indicated bodies and functions.

The first item of the agenda was the report by the President Prof. Milićić about his work during the previous term of office. Prof. Milićić has emphasized that CCS was during the previous term of office one of the most active expert medical societies in Croatia, once a month the MB of

bor društva s dostupnim zapisnikom sastanka objavljenim na web portalu društva i u *Kardio listu*, Radna skupina (RS) za aritmije je organizirala 2 skupa u Zagrebu, RS za bolesti srčanih zalistaka je organizirala skup u Hrvatskom liječničkom zboru zajedno s Hrvatskim društvom za kardijalnu kirurgiju kada su predstavljene i nove smjernice, RS za zatajivanje srca je aktivno radila na Hrvatskom registru bolesnika sa zatajivanjem srca, RS za akutni koronarni sindrom je organizirala skup u Buzinu gdje su svi centri uključeni u prsten primarne PCI, kao i neki centri (Slavonski Brod) koji se uskoro planiraju uključiti u mrežu predstavili svoje rezultate i izmjenili iskustva. Aktivne su bile i RS za prevenciju i rehabilitaciju, kardiovaskularnu farmakologiju, a osobito je istaknut doprinos prim. Ivanuše na uređivanju *Kardio lista* i web portalu društva. U proteklom mandatnom razdoblju su predstavljene nove smjernice za liječenje valvularnih bolesti srca, za perioperacijsko zbrinjavanje kardioloških bolesnika, za prevenciju i rehabilitaciju, za akutni koronarni sindrom, za liječenje endokarditisa i za elektrostimulaciju srca. U radu odbora za smjernice Europskog kardiološkog društva (ESC) su sudjelovali prof. Miličić, prof. Bergovec, prof. Petrač, prof. Mirat, dr. Skorić i dr. Vražić. HKD je u proteklom mandatnom razdoblju aktivno surađivalo s Hrvatskim društvom za hipertenziju, Hrvatskim društvom za aterosklerozu, Hrvatskim društvom za debljinu i Hrvatskim interističkim društvom. Posebno je istaknut novi izgled i sadržaj web portala i *Kardio lista*, dvojezičnost i interaktivnost, redovitost u izlaženju *Kardio lista* kao i indeksiranost. Nastavljena je i unaprijedena uspješna suradnja s poznatim kardiološkim institucijama iz SAD-a: Cleveland Clinic, Texas Heart Institute koji je bio suorganizator sastanka održanog ove jeseni u Splitu (*Split Vacular Forum 2010*), Ann Arbor University Michigan čiji je uvaženi član prof. dr. Stevo Julius bio predavač na kongresu i koja će uskoro ponuditi stipendije za mlade kardiologe te Mayo Clinic. Prof. Miličić je istaknu izrazitu uspješnost Dubrovnik ESC Update sastanka koji je održan u Dubrovniku 2009. god. i koji će se nastaviti održavati svake dvije godine pod nazivom Dubrovnik Cardiology Highlights — an ESC Update Programme in Cardiology. Također je iznesena aktivnost članova HKD u sklopu ESC: Congress Programme Committee 2008-10 (prof. Miličić, akademik Reiner), CPC 2010-12 (prof. Miličić), Credentials Committee 2008-2010 (prof. Miličić), Educational Committee 2010 (prof. Miličić), Task Force for Update (prof. Miličić), Guidelines Committee (akademik Reiner). Prim. dr. Krstačić je postao tajnik RS za primjenu računala u kardiologiji ESC-a. Prof. Miličić je također izvjestio o aktivnostima glede uključivanja Hrvatske u međunarodni registar za akutni koronarni sindrom koji se vodi u Bologni te o uključivanju u europske registre. Istaknuta je i aktivnost u sklopu udruženja Alpe Adria Cardiology (Board, godišnji kongresi). Potom je prof. Miličić izvjestio o preuzimanju atraktivnih prostora za Hrvatsku kuću srca u samom središtu Zagreba te da je nakon dvije godine administrativnih postupaka registrirana Zaslada što je bio

the Society was convened with the available minutes of the meeting posted on the web portal of the CCS in journal *Kardio list*, the Working Group (WG) for Arrhythmias organized 2 meetings in Zagreb, WG for Valvular Diseases organized a meeting in the house of Croatian Medical Association together with the Croatian Society for Cardiac Surgery when new guidelines were presented, WG for Heart Failure was actively working on the Croatian Registry of in-hospital patients with heart failure, WG for Acute Coronary Syndrome organized the meeting in Buzin where all centers were included in the Primary PCI network, as some centers (Slavonski Brod) that soon plan to join the network presented their results and exchanged experience. The WGs for Prevention and Rehabilitation, Cardiovascular Pharmacology were active, and the contribution of Head Dr. Ivanuše to editing *Kardio list* and web portal of the Society was especially emphasized. During the previous term of office, some new guidelines for the treatment of valvular heart diseases, for perioperative management of cardiac patients, prevention and rehabilitation, acute coronary syndrome, treatment of endocarditis and electrostimulation of heart were presented. Prof. Miličić, Prof. Bergovec, Prof. Petrač, Prof. Mirat, Dr. Skorić and Dr. Vražić participated in the work of the Board for the guidelines of the European Society of Cardiology (ESC). During the previous term of office, the CCS actively cooperated with the Croatian Society of Hypertension, Croatian Society for Atherosclerosis, Croatian Society for the Study of Obesity and Croatian Society for Internal Medicine. The new layout and

the contents of the web portal and *Kardio list*, bilingual and interactive edition, regular publishing of *Kardio list* and indexation were specially emphasized. The successful cooperation with famous cardiac institutions from the USA has been continued and improved: Cleveland Clinic, Texas Heart Institute that was co-organizer of the meeting held this autumn in Split (*Split Vacular Forum 2010*), Ann Arbor University Michigan whose renowned member Prof. Dr. Stevo Julius was the lecturer at the Congress and that will soon offer scholarships for young cardiologists at the Mayo Clinic. Prof. Miličić has mentioned highly successful Dubrovnik ESC Update meeting that was held in 2009 in Dubrovnik and that will continue to be held every 2 years entitled Dubrovnik Cardiology Highlights — an ESC Update Programme in Cardiology. The activity of the CCS members within ESC has also been mentioned: Congress Programme Committee (CPC) 2008-10 (Prof. Miličić, Academician Reiner), CPC 2010-12 (Prof. Miličić), Credentials Committee 2008-2010 (Prof. Miličić), Educational Committee 2010 (Prof. Miličić), Task Force for Update (Prof. Miličić), Guidelines Committee (Academician Reiner). Head Doctor Dr. Krstačić has become the Secretary of the ESC WG for the Computers in Cardiology. Prof. Miličić has also informed the attendees about the activities regarding the entry of Croatia in the international register for acute coronary syndrome maintained in Bologna and about entry in the European registers. The activity within the Association Alpe Adria Cardiology (Board, annual congresses) has been emphasized. Afterwards, Prof. Miličić has informed the attendees about takeover of the attractive premises for the Croatian Heart House in the very center of Zagreb and that after 2 years of administrative procedures the Foundation was established which was the prerequisite for the Croatian Heart House to start functioning. The premises are located in

preduvjet za početak funkcioniranja Hrvatske kuće srca. Prostor se nalazi u Oktogonu na adresi Ilica 6. HKD je u proteklom mandatnom razdoblju nastavilo s radom na programu specijalizacije iz kardiologije, s radom na unaprijeđenju laičke reanimacije, aktivno je surađivalo s HZZO-om na poboljšanju broja ugrađenih ICD i CRT te na registraciji novih lijekova u kardiologiji (klopidogrel, rosuvastatin, ranozin).

Druga točka dnevnog reda je bila izvješće rizničara dr. Margetića koji je kratko izvjestio o finansijskom poslovanju društva, koje je ocijenito vrlo povoljnim. Godišnji obračun uslijedit će nakon što se zatvori finansijska konstrukcija Kongresa.

Treća točka dnevnog reda je bila izvješće tajnika dr. Počanića koji je apelirao na sve članove društva da dostave svoje e-mail adrese i da redovito prate web portal društva na adresi www.kardio.hr kako bi na vrijeme bili upoznati sa svim aktivnostima i stručnim skupovima koje organizira HKD. Također je prenio izvješće dotadašnjeg predsjednika Etičkog odbora o tome da nije bilo etičkih upita, a time niti potrebe za sastajanjem Etičkog odbora.

Četvrta točka dnevnog reda je bila izvješće predsjednika Nadzornog odbora prof. Mirata koji je izvjestio da u proteklom mandatnom razdoblju nije bilo povreda statutarnih odredaba društva, a time niti potrebe za sastajanjem Nadzornog odbora.

Peta točka dnevnog reda je bila izvešće prof. Bergovca koji je izvjestio o aktivnom sudjelovanju hrvatskih kardiologa u brojim međunarodnim znanstvenim studijama (OASIS 5, OASIS 6, ATLAS TIMI...).

Šesta točka dnevnog reda je bila prihvatanje svih izvješća koja su prihvaćena jednoglasno bez prijavljenih za raspravu.

Slijedio je izborni dio skupštine. Za novog predsjednika jedini predloženi kandidat je bio prof. Davor Miličić, za dopredsjednika prof. Mijo Bergovec, za članove Upravnog odbora su predloženi doc. dr. Maja Strozzi, dr. Mladen Jukić, dr. Hrvoje Stipić, prof. dr. Luka Zaputović, doc. dr. Ivica Vuković, doc. dr. Robert Steiner, doc. dr. Viktor Peršić, prof. dr. Josip Vincelj, doc. dr. Diana Delić Brkljačić i prim. dr. Albino Jović, za nadzorni odbor su predloženi prof. dr. Jure Mirat, dr. Pejo Samardžić, prim. dr. Vojtjeh Brida, prof. dr. Martina Lovrić Benčić i prim. dr. Mirjana Jembrek Gostović, i za članove Etičkog povjerenstva akademik Vladimir Goldner, akademik Ivo Čikeš, prof. dr. Šime Mihatov, prof. dr. Drago Rakić i prim. dr. Mario Ivanuša.

Oktogon at address Ilica 6. During its previous term of office CCS continued with its work on specialization program in Cardiology, with its work on improvement of lay reanimation, it actively cooperated with the Croatian Institute for Health Insurance on improvement of a number of implanted AICD and CRT and on registration of new medicines in cardiology (clopidogrel, rosuvastatin, ranolazine).

The second item in the agenda was the report by the Treasurer, Dr. Margetić who briefly informed the attendees about the financial position of the Society which he evaluated as very positive. The annual account will be prepared after the financial position relating to the Congress has been evaluated.

The third item of the agenda was the report by the Secretary Dr. Počanić who asked all members of the Society to send their e-mail addresses and to regularly monitor the web portal of the Society at the address www.kardio.hr so that they may be timely familiarized with all activities and expert meetings organized by CCS. He also informed about the report of the former President of the Ethics Board that there were no ethic issues and that convening the meeting of Ethics Board was unnecessary.

The fourth item of the agenda was the report by the President of the Supervisory Board, Prof. Mirat who informed the attendees that during the former term of office there were no violations of statutory provisions of the Society, and convening the meeting of the Supervisory Board was unnecessary.

The fifth item of the agenda was the report by Prof. Bergovec who informed the attendees about active participation of the Croatian cardiologists in a number of international scientific studies (OASIS 5, OASIS 6, ATLAS TIMI...).

The sixth item of the agenda was the acceptance of all reports that were accepted unanimously without reported persons for discussion.

The elective part of the Assembly followed. Prof. Davor Miličić as the only candidate was proposed to be the new President, Prof. Mijo Bergovec was proposed to be the Vice-President, Ass.Prof. Dr. Maja Strozzi, Dr. Mladen Jukić, Dr. Hrvoje Stipić, Prof. Dr. Luka Zaputović, Ass.Prof. Dr. Ivica Vuković, Ass.Prof. Dr. Robert Steiner, Ass.Prof. Dr. Viktor Peršić, Prof. Dr. Josip Vincelj, Ass.Prof. Dr. Diana Delić Brkljačić and Head Doctor Dr. Albino Jović were proposed to be the members of the MB, Prof. Dr. Jure Mirat, Dr. Pejo Samardžić, Head Doctor Dr. Vojtjeh Brida, Prof. Dr. Martina Lovrić Benčić and Head Doctor Dr. Mirjana Jembrek Gostović were proposed to be the members of the Supervisory Board, while Academician Vladimir Goldner, Academician Ivo Čikeš, Prof. Dr. Šime Mihatov, Prof. Dr. Drago Rakić and Head Doctor Dr. Mario Ivanuša were proposed to the members of the Ethics Committee.

Slijedilo je tajno glasovanje tijekom kojega je prim. dr. Ivanuša iscrpno prikazao rad web portala i *Kardio lista*.

Nakon prebrojavanja glasova predsjednik izbornog povjerenstva dr. Padovan je iznio rezultate:

Za predsjednika Hrvatskoga kardiološkog društva je natpolovičnim brojem glasova izabran prof. dr. Davor Milićić

Za dopredsjednika Hrvatskoga kardiološkog društva je natpolovičnim brojem glasova izabran prof. dr. Mijo Bergovec

Za članove Upravnog odbora su izabrani sljedeći kandidati / The following candidates have been elected as members of the Management Board:

1. Hrvoje Stipić (115 glasova / votes)
2. Mladen Jukić (112 glasova / votes)
3. Maja Strozzi (110 glasova / votes)
4. Diana Delić Brkljačić (108 glasova / votes)
5. Robert Steiner (108 glasova / votes)
6. Luka Zaputović (98 glasova / votes)
7. Viktor Peršić (90 glasova / votes)
8. Josip Vincelj (89 glasova / votes)

Za članove Nadzornog odbora su izabrani sljedeći kandidati / The following candidates have been elected as members of the Supervisory Board:

1. Jure Mirat
2. Pejo Samardžić
3. Martina Lovrić Benčić
4. Vojtjeh Brida
5. Mirjana Jembrek Gostović

Za članove Etičkog povjerenstva su izabrani sljedeći kandidati / The following candidates have been elected as members of the Ethics Committee:

1. Šime Mihatov
2. Vladimir Goldner
3. Ivo Čikeš
4. Drago Rakić
5. Mario Ivanuša

Nakon predstavljanja rezultata isti su jednoglasno prihvaćeni, potom je novoizabrani predsjednik društva prof. Milićić za tajnika društva ponovno predložio dr. Darka Počanića, a za rizničara dr. Eduarda Margetića, oba prijedloga su jednoglasno prihvaćena čime je skupština završila s radom.

Zapisničar / Keeper of the Minutes:

Dr. Joško Bulum

Ovjerovitelji zapisnika / Certifiers of the Minutes:

Prim. dr. sc. Vjekoslava Raos

Prim. dr. sc. Mario Ivanuša

It was followed by secret voting during which Head Doctor Dr. Ivanuša thoroughly presented the work of web portal and *Kardio list*.

After counting the votes, the President of the Elective Committee, Dr. Padovan presented the results:

Prof. Dr. Davor Milićić has been elected the President of the CCS by ordinary majority.

Prof. Dr. Mijo Bergovec has been elected the Vice-President of the CCS by ordinary majority.

/ The following candidates have been elected as members

of the Management Board:

1. Hrvoje Stipić (115 glasova / votes)

2. Mladen Jukić (112 glasova / votes)

3. Maja Strozzi (110 glasova / votes)

4. Diana Delić Brkljačić (108 glasova / votes)

5. Robert Steiner (108 glasova / votes)

6. Luka Zaputović (98 glasova / votes)

7. Viktor Peršić (90 glasova / votes)

8. Josip Vincelj (89 glasova / votes)

After the results were presented, they were unanimously adopted and then the newly President of the CCS Prof. Milićić again proposed Dr. Darko Počanić to be Secretary, and proposed Dr. Eduard Margetić to be Treasurer, the both proposals were unanimously adopted and this is how the Assembly finished with its work.

Sretna nova godina 2011.

Happy New Year 2011
