European Board for Accreditation in Cardiology

The event **CroEcho 2015** is accredited by the European Board for Accreditation in Cardiology (EBAC) for 13 hours of External CME credits. Each participant should claim only those hours of credit that have actually been spent in the educational activity. EBAC works according to the quality standards of the European Accreditation Council for Continuing Medical Education (EACCME), which is an institution of the European Union of Medical Specialists (UEMS).
