

ECHO DIASTOLOGY CONSILIUM 2025

Deep dive into HFpEF: beyond algorithms and scores – from pathophysiology to diagnostic mastery and therapeutic guidance

Hybrid Symposium

Live from Zagreb and Belgrade &
Broadcast across Croatia, Serbia, Slovenia,
Bulgaria & Montenegro

Duration: 365 minutes,
mid-day break 60'

Faculty:

J. Separovic Hanzevacki (HR), D. Trifunović
Zamaklar (RS), I. Stanković (RS), S. Jaksic Jurinjak
(HR), V. Reskovic Luksic (HR), D. Bakovic Kramaric
(HR), O. Vinter (HR), M. Stefanović (RS), O.
Petrović (RS), D. Milašinić (RS)

AGENDA

Time (CET)	Duration	Session
09:00–09:10	10 min	Welcome & Opening Remarks
09:10–10:15	65 min	PART I The Enigmatic Patient with symptoms of heart failure Clinical Introduction & Diagnostic pathway Demonstration of clinical exam & echocardiographic protocol MCQs (Multi Choice Questions)
10:15–10:20	5 min	Transition / Break
10:20–11:30	70 min	PART II Breaking Down Diastolic Function: Understanding Pathophysiological Concepts and Echocardiographic Tools Focused Opening Lecture – Key Insights Expert – Led Echocardiography Workshop – Interactive Analysis and Interpretation of Cases
11:30–12:30	20 min	Participant Reflection: Q&A and Interactive Discussion
12:00–13:00	60 min	BREAK
13:00–14:30	90 min	PART III Echocardiographic Reconstruction of Diastolic Function Key introductory Lectures to Interactive Illustrative Cases Expert – Led Echocardiography Workshop – Interactive Analysis and Interpretation of Advanced and Complex Cases
14:30–14:35	5 min	Transition / Break
14:35–15:20	45 min	PART IV Re-evaluation & Resolution of the Index Case
15:20–15:35	15 min	Wrap-up Discussion & Final Takeaways
