BEYOND BOUNDARIES: Advancing ATTR – CM Care

**19 – 20
May 2026**

Doubletree by
Hilton Hotel
Zagreb, Croatia

International standalone
symposium on transthyretin
amyloid cardiomyopathy

Dear colleague,

on behalf of Bayer you are cordially invited to participate in

Beyond Boundaries: Advancing ATTR-CM Care

taking place in

Zagreb, Croatia, on May 19–20, 2026

This international standalone symposium on transthyretin amyloid cardiomyopathy (ATTR-CM) will bring together international experts to share evidence, experience, and practical insights across the ATTR-CM continuum.

What can you expect?

▶ **Interactive presentations from global ATTR-CM experts**

Real-world experiences & treatment outcomes

▶ **Sharing best practices on optimizing ATTR-CM patient care**

VR (virtual reality) experience

▶ **Networking opportunities with leading ATTR-CM experts**

Please save the dates in your calendars and register via following link or QR code.

Deadline for registration is May 1st 2026.

Cost of overnight stay will be covered by Bayer.
